

PROTECT YOURSELF

Before You Let Any Roofing Company
Into Your Home, Read This Book!

This short book will answer your questions, erase your fears and empower you to make the best decision for you and your family when repairing or replacing your roof. Go behind the scenes with industry insider Jason Phillips as he shares his 25+ years of experience in the construction industry.

Here's what's inside:

- ✓ To repair or to replace: that is the question!
- ✓ It's time to replace your roof...now what?
- ✓ Understanding the necessary components of a roofing project.
- ✓ What type of roof is the best choice for your home?
- ✓ The 6 biggest misconceptions about roofing projects.
- ✓ The 6 common mistakes to avoid.
- ✓ The 2 biggest roofing rip-offs you need to be aware of.
- ✓ Recommendations for a stress-free roofing project.

"Jason has been a stand-up gentleman to work with. As his roofing distributor, he has operated with me and my company with complete transparency and has always held himself and his company to a high ethical and moral standard. Jason is a top-notch individual and of the highest integrity. Would refer him to anybody needing home improvements!"

Travis Flores, Southern Shingles

"Jason Phillips and I have had a long working history and business partnership. Phillips is one of the top professionally-run businesses that I have the pleasure to work with. Jason really cares about his customers and about providing the best products, processes, and service to help customers achieve long-lasting solutions for their home. It's always a pleasure to recommend Phillips."
